City Reaches Agreement with Former CAO

Doug Raines' employment as City Manager with the City of Campbell River was terminated in May 2008.

At that point in time, Mayor and Council committed to provide full public disclosure of the costs associated with Mr. Raines' departure.

Over the past 10 months, the terms and conditions have been negotiated, with advice from legal counsel, and the parties have reached a settlement.

The City will pay Mr. Raines \$275,000, less monies that were paid to him during the 10 months.

Although the employment contract with Mr. Raines stipulated 24 months of severance payment, the above payment equates to approximately 18.5 months of severance.

For more information, please contact the City Hall at 250-286-5700.
