

## **We're Getting Ready-Here's What You Need to Know**

This letter is to advise you that the City will be working with Elklundson Construction Ltd. and ISL Engineering to complete utility upgrades in your neighborhood.

### **What are we doing, and when are we doing it?**

Beginning in early April, we will be upgrading storm sewer, sanitary sewer and the watermain on 6th Ave. between the Island Hwy. and Alder St. We will also be upgrading the watermain on Thulin St. between 5th Ave. and 6th Ave. Work is expected to be complete by the end of September 2023.

You can expect work to be performed between the hours of 7:00 am and 6:00 pm, Monday to Friday. Some weekend and nighttime work can also be expected.

### **What to expect – traffic disruptions as follows:**

- **Thulin St.** – will be open to local traffic only during construction
- **6<sup>th</sup> Ave.** – will be open to local traffic only while we install sewer pipes and manholes
- **Isl. Hwy. near 6<sup>th</sup> Ave.** – minor disruptions will occur in intervals throughout the duration of construction

### **What's next?**

Elklundson Construction Ltd. will be reaching out to affected residents with more detailed information closer to the start of construction.
