THIS WEEK IS HOT!

Stay safe and cool when outdoors during extreme heat:

Lower your activity level. If you must do errands, do them early or late in the day when it's cooler.

Protect yourself from the sun by staying in the shade, avoiding direct sun mid-day, wearing a hat and protective clothing, using sunscreen, and wearing UV-protective eyewear.

Seek cooler, breezier areas when outdoors, such as large parks near the water with lots of trees.

Never leave children or pets in a parked car.

INCREASE YOUR HOME'S ENERGY EFFICIENCY AND SAVE MONEY

The City is offering a \$350 top-up, in addition to rebates available through the CleanBC Better Homes Program and BC Hydro. Take advantage by switching from a fossil fuel heating system (oil, natural gas, or propane) to an electric air source heat pump. Rebates will be approved on a first-come, first-serve basis while funding lasts. For more information, visit

betterhomesbc.ca/rebates/campbell-river-heat-pump-top-up
or call 1-844-881-9790.
