

OneStop BUSINESS REGISTRATION

The Provincial Government has established a service to simplify and consolidate some provincial and federal business registration requirements.

Campbell River's Service BC (formerly BC Access Centre) provides a one-stop registration service for the following:

- Proprietorship/Partnership Declarations
- Goods & Services Tax (GST)
- Corporate Income Tax
- Payroll Deductions
- Importing & Exporting of goods
- Provincial Sales Tax (PST)
- Workers' Compensation Board (WCB)

Service BC is located at:
115-1180 Ironwood Street

Call 250-286-7555 to find out what you will need to bring with you.

Q *Do I need a City of Campbell River Business Licence?*

A You are required to hold a valid City of Campbell River Business Licence if you carry on any business venture within city limits.

Q *How do I obtain a Business Licence?*

A Business licence application forms are available from the City's Business Licence Department located at 301 St. Ann's Road or online at www.campbellriver.ca.

Q *What are the fees for a Business Licence?*

A Business Licence fees are \$120 a year, or \$60 for a seasonal six-month licence. Staff can advise you of the fee required for your business. Fees are not refundable once a Business Licence has been approved.

Q *How long is a Business Licence valid for?*

A Most Business Licences are issued for a full year, from date of issue to a year less a day later. Seasonal licences are issued from date of issue to six months less a day later.

Q *What do I need to bring with me when I apply?*

A Your business address and any relevant provincial or federal certificates and/or licences required for the operation of your business are also required for your business licence application.

N.B. Credit cards cannot be used for payments at City Hall, so please ensure you have another method to pay business license application fees.

Q *What is the process for obtaining a Business Licence?*

A Once your application has been submitted, Business Licence staff will review your application and forward it for appropriate approval, which could include:

City Approvals:

- Zoning
- Building Inspection

External Agency Approvals:

- Ministry of Health
- Motor Carrier Commission
- RCMP
- Others

Once all approvals are received, your Business Licence will be mailed to you.

You should not operate your business until you receive your printed licence.

Q *How long does it take to get a Business Licence?*

A The time required to process a Business Licence application depends on the approvals required for your business operation. A licence is typically issued within 7 to 10 business days, but may take longer.

Q *What are the consequences if I operate a business without a valid City of Campbell River business licence?*

A You can be fined up to \$200 a day for operating a business without holding a valid Campbell River Business Licence.

Q *Can I operate two businesses out of the same location?*

A Yes, as long as each one has a valid Business Licence.

Q *Do I need a second licence for a second business location?*

A Yes. You require a Business Licence for each location of your business.

Q *How do I renew my Business Licence?*

A You will be mailed a renewal notice approximately one month prior to the expiration date of your licence. Licence renewals may be paid by mail, in person at City Hall, or on the City's secure website at www.campbellriver.ca.

Q *If I stop operating my business, do I have to notify anyone?*

A Yes. You need to contact the Land Use Department either in writing or by phone (250-286-5757) to inform them that you are no longer operating. This will ensure that you do not continue to receive annual renewal invoices.

Q *Do I require a sign permit?*

A If you are contemplating placing a sign on your commercial building, a sign permit may be required. Home-based businesses do not require a sign permit for a non-illuminated sign no larger than 0.4 square metres that is placed entirely on your own property.

Q *Can I keep my existing business licence if I relocate my business?*

A Yes. Just apply for an address change. Remember to check zoning prior to relocating your business.

Important Considerations

Prior to Opening

Your Business

ZONING

- Before leasing or purchasing space for your business, check to ensure the zoning of the property is suitable for the type of business you are contemplating.
- Home-Based Businesses must meet the requirements for the Home-Based Business Rules and Regulations contained within the City of Campbell River Zoning Bylaw 3250.

BUILDING INSPECTION DEPARTMENT

- Before a licence can be approved, a building inspector must approve the proposed premises for occupancy. Please note that you may be required to apply for a building permit when you add to an existing building; change the occupancy of an existing building; make interior renovations; make changes to any exits; make additions or changes to the plumbing, fire alarm, or fire sprinkler system.
- Contact a Building Official in the Land Use Department for information on specific requirements of your business plans along with the requirements for making a building permit application.
