

### **Councillor Andrew Adams**

Andy Adams was first elected as councillor in 2005.

Vancouver Island born and raised in Victoria, Andy graduated from Oak Bay High School and attended Camosun College and the University of Victoria in Business Administration and Human Performance. He has a Level II designation from the Purchasing Management Association of Canada, and other healthcare related programs.

Andy has been involved in healthcare on Vancouver Island in materials management, environmental services and human resources for the past 30 years. Since 1992, he has been based at the Campbell River Hospital managing environmental services for the Vancouver Island Health Authority facilities throughout the North Island.

Prior to being elected, Andy served on the Advisory Planning Commission from 1998-2001 and on the Strategic Planning Working Group on removing barriers to development in Campbell River.

His hobbies include curling, hiking, golfing and fishing.
