

# AUXILIARY WASTEWATER TREATMENT UTILITY OPERATOR

The City of Campbell River is seeking qualified Auxiliary Wastewater Treatment Utility Operators to work on an on-call basis. Weekend work may be required as this is a 7 day a week operation.

Wastewater Treatment Operators are responsible for sampling, testing and recording of influent and effluent flows, preventative maintenance, and other duties at the City's sewage treatment facilities and stations.

Successful candidates must have experience working in a Wastewater Treatment Facility; EOCP Wastewater Treatment Operator certification; chlorine handling certification; and confined space entry training. This is a CUPE position.

Interested applicants are requested to send their resume AND covering letter, quoting **AUX-12-01** to:

Human Resources Department  
City of Campbell River  
301 St. Ann's Road  
Campbell River BC V9W 4C7  
Fax: (250) 286-5760  
Email: [careers@campbellriver.ca](mailto:careers@campbellriver.ca)

**This posting will remain open until the relief pool is filled.**

We thank all applicants for their interest; however,  
only those short listed for interviews will be contacted.
