CITY HOSTING FIRST PUBLIC OPEN HOUSE FOR THE ZONING BYLAW UPDATE

To start of the *Zoning Bylaw* rewrite process, a series of Public Open Houses are scheduled at two locations to provide an opportunity for input on potential changes and improvements to the existing *Zoning Bylaw*.

**The first Open House is on
Wednesday January 22, 2014 at the
North Island College from 1-3 and 7-9pm.**

**The next Open House is on
Wednesday, January 29, 2014 at the
Community Centre from 1-3 and 7-9pm.**

Everyone who lives within the City is encouraged to come out to the informal Open House events. The *Zoning Bylaw* can influence property values and/or change the type of permitted uses on specific properties where zone designations may change. This can affect your property or your neighbourhood. Bring your concerns, issues and suggestions about what you think we need to know as we proceed. The current *Zoning Bylaw 3250, 2006* is available for viewing on our website, www.campbellriver.ca, or a hard copy is available in the Land Use Services Department at City Hall.
