## **CITY HOSTING MORE PUBLIC EVENTS FOR THE ZONING BYLAW UPDATE**

The *Zoning Bylaw* rewrite process is off to a great start after four successful Open House events in January. Public input is still needed to help identify the current issues across the City and more Public Open House events are being held. Everyone who lives within the City is encouraged to come out to the informal Open House events. The *Zoning Bylaw* can change the type of permitted uses on specific properties or set general regulations, all of which may influence property values and neighbourhood characteristics. Bring your concerns, issues and suggestions about what you think we need to know as we proceed in writing the FIRST DRAFT.

**Wednesday February 19, 2014** at the  
**Campbell River Community Centre**  
from **1-3 pm** and **7-9pm**

**Wednesday, February 26, 2014** at the  
**North Island College, Rm C228**  
from **1-3 pm** and **7-9pm**

A second set of Open Houses will be held in April for the public to review the FIRST DRAFT. Project information and a copy of the current *Zoning Bylaw 3250, 2006* is available for viewing on our website, [www.campbellriver.ca](http://www.campbellriver.ca), or paper copies are available for viewing in the Land Use Services Department at City Hall.
