Stay Within Your Limits!

Remember, there are regulations that limit how close you can build to your property line for fire and safety reasons and to promote good neighbour relations. Most residential side yard setbacks are 1.5m (5 ft) from the house and 0.75m (2.5 ft) to sheds, garages and decks to the property line. QUESTIONS: Come in to City Hall and talk with the Land Use Services staff about your project or call us at 250-286-5726.

If you are coming to City Hall to pay your taxes, we're making more room for you. From June 16 – July 2 (inclusive) additional public parking is being made available at City Hall.

Those coming in to City Hall to make property tax payments are encouraged to park in the larger City Hall parking lot with access off the Alder street hill leading into and out of downtown.

During this time, parking stalls numbered 1-38 and 41-47 will be available for public use.

The smaller parking lot at the top of St. Ann's remains available for public parking but is limited to only 11 stalls.

Property taxes and Home Owner Grants are due July 2, 2014.
