Know How Much is Too Much!

There are limits to how much fill you can place on your property. Before you bring fill onto your site, come speak with the Development Services staff about your project, or call us at 250-286-5726. More information is available online at www.campbellriver.ca/planning-building-development.

PROPERTY TAX PAYMENTS JUST GOT EASIER: SIGN UP FOR PRE-AUTHORIZED PAYMENTS IN 2015

No more waiting in line or paying property taxes in one lump sum each July. City of Campbell River property owners can now make monthly contributions - and earn interest - toward 2015 tax payments.

Apply now for the new pre-authorized payment service that begins in August.

An application form and program details are included in this year's property tax notice and posted on the City's website (www.campbellriver.ca under City Services / Property Taxes). Or pick up a paper copy from City Hall, the Community Centre or Sportsplex.

How does it work? Property owners have monthly payments automatically withdrawn from their bank account starting in August and ending in May. The annual tax notice mailed at the end of May shows taxes due, less total pre-payments and interest earned on the 10 installments. The balance owing is withdrawn from the bank account on the tax due date in July.

Arrange for pre-authorized payments and claim your Home Owner Grant online at the City's website (<http://www.campbellriver.ca>) and there's no need to visit City Hall at tax time.

No matter how you pay your property taxes, remember to claim your Home Owner Grant each year.
