

COMMUNITY UPDATE OCTOBER 10, 2014

DID YOU KNOW? GARAGE SALE SIGNS

At the Sept. 16 Council meeting, a concerned citizen presented complaints about Garage Sale signs left attached to poles located on City boulevards within the public right-of-way.

The City of Campbell River Sign Bylaw No. 3309 prohibits the display of signs on highways or other public right-of-ways. Any signs posted on public right-of-way may be impounded by the City and contravention of the regulation may be dealt with by way of a fine of \$150.

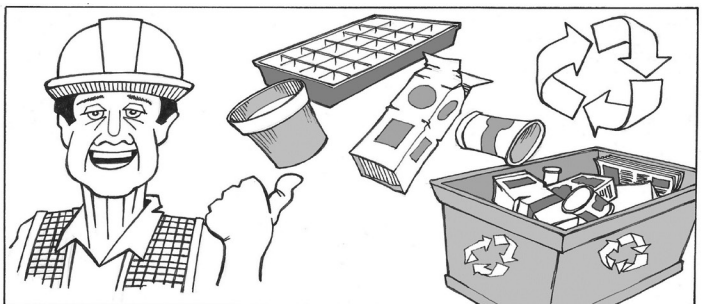

If you're holding a garage sale, remember signs are permitted on private property only.

Please, be courteous and remove any signs promptly after the close of your event.

Questions or complaints relating to garage sale signs can be made to the City's Bylaw Enforcement Department, 250 286 5776.
