## CLEAN CATCH BASINS PREVENT FLOODING YOU CAN HELP!

*Please clean the leaves from catch basin grates close to your home.*

With approximately 3,300 catch basins in Campbell River, some will be plugged by leaves and other debris during each heavy rainfall, which can lead to flooding.

*Please report damaged catch basins to the City of Campbell River, Dogwood Operations at 250-286-4033.*

Thanks for your help!

### Did you know?

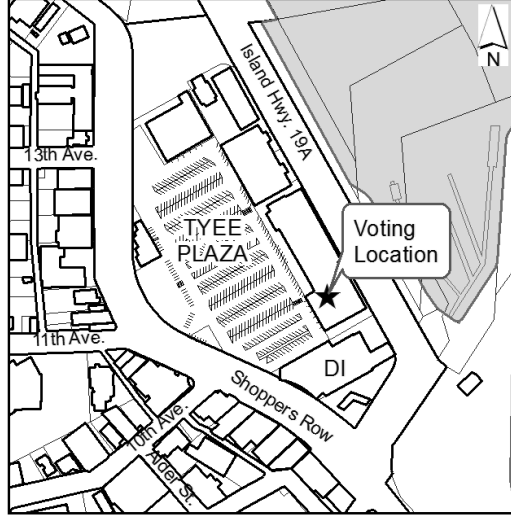

Many of the City's catch basins are connected to drainage systems that discharge to environmentally sensitive fish bearing streams. Please keep oil, paint, and other contaminants away from catch basins to prevent pollution and fish kills.
