

DOWNTOWN TREE PRUNING

As part of its annual street tree maintenance program, the City will prune the London plane trees along the Shoppers Row and Pier Street sidewalks on three Sundays in March.

Mar. 8, 15 and 22 – from 8 a.m. to 4 p.m.

To minimize disruption, local businesses have been notified, and pruning work will not be done in areas near hotels on Sunday mornings.

Tree trimming equipment will temporarily take up some parking spaces where the work is being done, and sidewalks could be briefly and temporarily closed when pruning is taking place.

Please respect any areas marked for public safety.

Questions: Please contact the Parks Department at 250-286-7275.

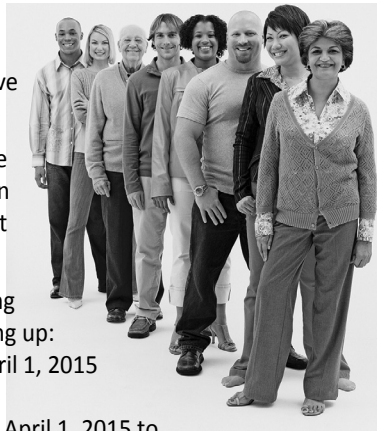

SERVE YOUR CITY

Interested in helping Campbell River move forward?

Make your point. Be heard. And help shape Campbell River's future by applying to serve on the City's Advisory Planning and Environment Commission (APEC).

Four appointments to the Advisory Planning and Environment Commission are now coming up:

- one position for a one-year term from April 1, 2015 to March 31, 2016
- three positions for three-year terms from April 1, 2015 to March 31, 2018.

The City is looking for members of the public to apply, preferably with experience and expertise in the areas of:

- Sustainability, conservation and environment
- Development industry
- Member at large

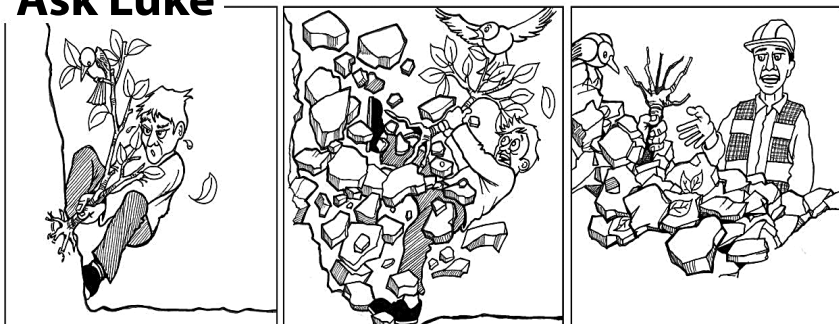

The APEC provides policy advice and recommendations to Council, on various issues related to long range planning (OCP), land use and development planning, permitting and development application processes, transportation planning and environmental and sustainability issues.

Information and applications are at City Hall or at www.campbellriver.ca by going to Your City Hall - City Council – Advisory Committees and Commissions – Advisory Planning and Environment Commission.

Apply today! Deadline is 4:30 PM Friday March 13, 2015.

Questions? Please contact Peter Wipper, City Clerk at 250-286-5707 or email peter.wipper@campbellriver.ca

Ask Luke

Handle with Care!

Before you cut vegetation, trim trees or undertake any activity on a steep slope check with staff in Development Services to ensure your actions do not destabilize the slope and cause a dangerous situation. You can also call us at 250-286-5726 or check out the City website at www.campbellriver.ca/planning-building-development.
