Notice to Electors of the City of Campbell River  
of Alternative Approval Process for a Proposed Extension of Boundaries

## QUINSAM COAL BOUNDARY EXTENSION PROPOSAL

Notice is hereby given that under Section 86 of the *Community Charter* and Section 20 of the *Local Government Act*, the Council of the City of Campbell River has received a request from the Quinsam Coal Corporation to extend its municipal boundaries to include the lands shown on the attached map. City Council is in support of the request and intends to petition the Minister of Community, Sport and Cultural Development for approval.

Prior to petitioning the Minister, the *Local Government Act* requires that council must obtain the approval of the electors of the municipality in relation to the proposed boundary extension. Approval of the electors may be obtained by an Alternative Approval Process (AAP).

The AAP process states that Council may proceed with the boundary extension unless at least 10% (2,417) of the estimated number of electors in the City of Campbell River have signed and submitted individual elector response forms against the proposal by the deadline set out below. The number of eligible electors in the City of Campbell River is estimated to be 24,167.

### Elector Response Forms

AAP elector response forms will be accepted only if they are in the form established by the City of Campbell River or an accurate copy of the form. The forms are available at the office of the City Clerk at City Hall and on the website at [www.campbellriver.ca](http://www.campbellriver.ca) starting on Friday, June 12th.

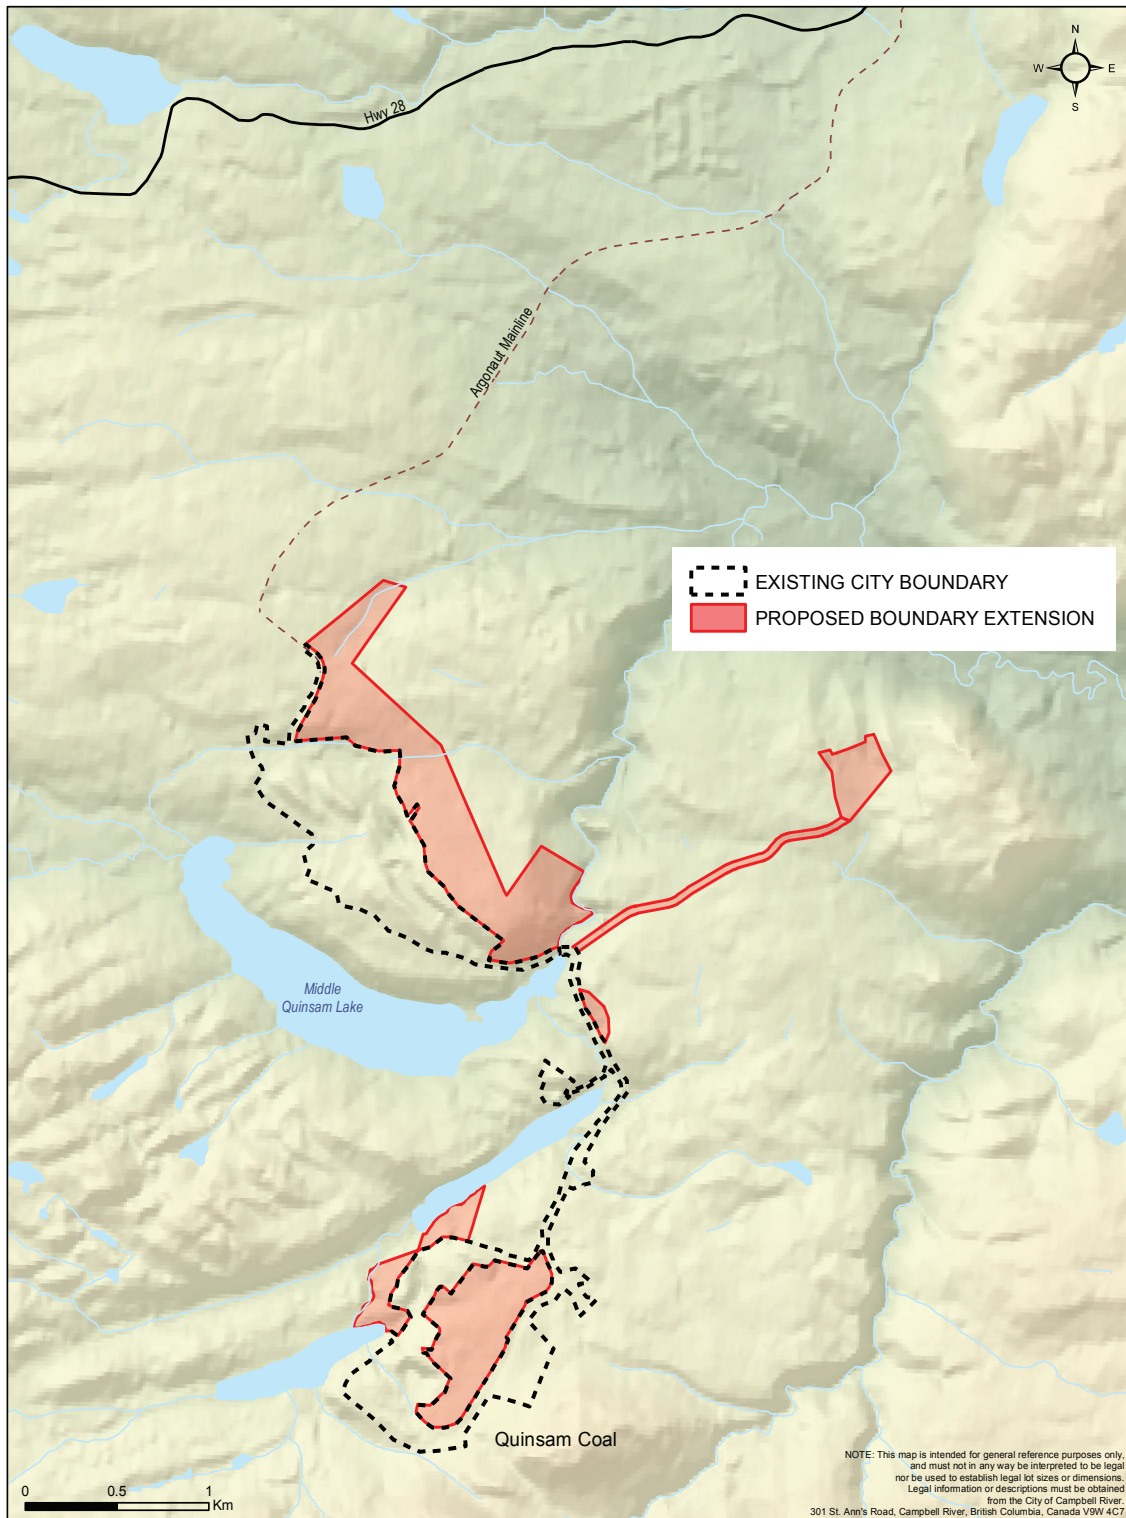

For an elector response form to be accepted, it **MUST**:

- Include the residential address of the elector;
- Be signed by the elector;
- If applicable, state the address of the property in relation to which the person is entitled to register as a non-resident property elector; and
- Be submitted to the City Clerk before the deadline.

**NOTE:** a person must not sign any alternative approval process elector response form more than once and may not withdraw his or her name from the elector response form after the deadline for submission of the elector response forms has passed.
