

Q & A: Larwood Erickson Sewer Upgrade

Construction is underway on the Larwood Erickson Sewer Upgrade Project. The following Questions and Answers are intended to provide an overview of the project.

1. What is the project?

Work under this project includes the renewal and upgrade of sanitary sewer mains on Erickson, Harrogate and Larwood Roads. These upgrades are required to address existing conditions and growth related demands in the Jubilee Heights Subdivision.

2. Where is the project?

The work will take place along roadways on Larwood from Highway 19A to Harrogate, south on Harrogate to Erickson and west on Erickson to Fairmile.

3. When is the construction work going to take place?

Construction is underway and anticipated to be completed by Winter 2018.

4. What is the cost of the project?

The project budget is \$3.9m with funding from Sewer Capital and a partnership with the developers of Jubilee Heights.

5. How is the project being funded?

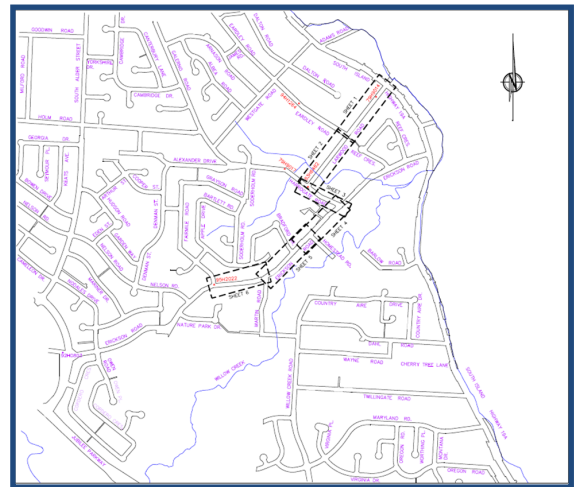

The City and developer of Jubilee Heights have a cost sharing arrangement in place. The City's portion will be funded through the sewer capital reserve.

6. Who will be involved in the project design and construction?

The city engaged Highland Engineering to complete detailed design. The tender for construction services was awarded to Windley Contracting Ltd.

7. How will traffic be managed during construction?

There will be a significant disruption to traffic along the reflected route. Please obey all posted signage during the course of construction.
