BUSINESSES OPEN ALONG HWY 19A WATERFRONT PROJECT 2018-2020

WATERFRONT BUSINESSES ARE OPEN DURING CONSTRUCTION THIS SUMMER.

Help reduce the impacts of this work by supporting businesses in the area.

Though drivers may experience some delays between Rockland Road and 1st Ave, **all businesses along the stretch are open and accessible.** Make a stop along our beautiful waterfront for a walk and a meal, road trip supplies or even an overnight stay – we know it will be worth the wait.

The waterfront corridor is undergoing construction to replace aging water and sewer lines. For more info visit: campbellriver.ca/construction

SERVE YOUR COMMUNITY ON THE BOARD OF VARIANCE

The Board of Variance is an independent panel of five members appointed by Council to consider minor variances from the City's Zoning Bylaw. One appointment is up for renewal for a term commencing Nov. 1, 2019 through March 31, 2022.

Appeals to the Board are generally made by homeowners or developers when compliance with a minor aspect of a Zoning Bylaw (such as a side yard setback) would cause "hardship" to the applicant.

Why join the Board? This is an opportunity to play a role in development-related decision-making in Campbell River. No specific knowledge or qualifications are required, but an interest in civic governance and land use regulations is important.

Criteria for membership on the Board includes being available to meet during working hours, with at least 10 days' notice. Meetings generally last no longer than an hour. The Board meets when applications are received, typically 3 to 5 times a year.

During a meeting, the Board will consider whether the application is "minor" and whether "hardship" is evident, and will either deny or approve an application. The Board hears representations from an applicant and/or their neighbours before making a decision. City staff provide administrative and technical support.

Questions? Please contact Kevin Brooks, Development Services Manager at 250-286-5725 or email kevin.brooks@campbellriver.ca
