## DOWNTOWN BIA FAÇADE AND SIGNAGE IMPROVEMENTS PARTNERING AGREEMENT TO BE CONSIDERED BY COUNCIL

Campbell River City Council will consider a partnering agreement to help the Heart of the City Business Improvement Area Association (BIA) improve façade and signage on privately-owned buildings downtown through a funding program.

The partnership agreement and funding would encourage enhancement of downtown streetscapes, contributing to the City's overall downtown revitalization goals.

**The City has \$80,000 available in 2018 for downtown façade and signage improvement projects, and \$60,000 in 2019.**

To receive City funds, the BIA must submit an invoice to the City for pre-approved work performed, and demonstrate upon project completion that the Downtown Façade Improvement Program and Signage Improvement program guidelines were followed and met. If and when all works are completed and approved by the City, the BIA would receive the lesser of funds up to \$10,000, or 50 per cent of the total cost of the project. These funds may then be used by the BIA to reimburse the business or building owner carrying out the works.

Council will consider approving the partnership agreement at its regular meeting on July 16, 2018 at 6:30 p.m. The draft partnership agreement is available for public inspection between the hours of 8:30 a.m. and 4:30 p.m. Monday through Friday, excluding holidays, at City Hall, 301 St. Ann's Road, Campbell River.
