ATTENTION DRIVERS – NEW TRAFFIC SIGNALS ARE OPERATING!

**NEW TRAFFIC LIGHTS ARE
UP AND RUNNING AT
PETERSEN RD. AND 14TH AVE.**

To alert drivers to the new traffic control system, additional signs are in place ahead of the intersection.

WORK WITH US

Visit the "employment" section at www.campbellriver.ca for a list of current vacancies, including:

- **Irrigation Specialist (Term Position)**
- **Transportation Specialist (Term Position)**

HOW COULD A MAJOR EARTHQUAKE CAUSE FLOODING IN CAMPBELLTON AND DOWNTOWN CAMPBELL RIVER? AND DO YOU KNOW WHERE TO GO TO AVOID FLOOD AREAS?

Presentations by BC Hydro and community emergency preparedness team will share information about flood risk and evacuation procedures in the event of a worst-case scenario earthquake.

Where: **Tidemark Theatre** (seating limited to first 400 people)

When: **December 15 (2 p.m.)**

A video recording of the presentation will be posted on YouTube.

Evacuation area maps for the region and the city with possible water arrival times and depths and tips on emergency preparedness are available on the City's website, with paper copies available at City Hall, recreational facilities, the Strathcona Regional District office at 301-990 Cedar Street and Strathcona Gardens.

Frequently asked questions are also answered at www.campbellriver.ca – under **City Services / Public Safety**.

Ask Luke

**Control water from
your property to
protect yourself –
and your neighbour.**

Make sure gutters and any surface water flow into your garden or the storm sewer – not onto your neighbour's property or out onto the street. For more information, come into City Hall and speak with Development Services staff. Or call us at 250-286-5726.
