COMMUNITY UPDATE JULY 24, 2015

**THANK YOU
FOR DOING YOUR PART
TO USE LESS WATER!**

Yes, Campbell River is still in stage one watering restrictions – because local businesses and residents are doing such a great job of keeping water consumption in Campbell River at a manageable level considering the hot, dry conditions.

Please continue to minimize your water use.

For more information, please see City Services / Water at www.campbellriver.ca.

Questions? Please call the Water Wise hotline at 250-203-2316 or email water.wise@campbellriver.ca.

REMINDER: CEMETERY ADORNMENTS

This is a reminder for anyone who may wish to pick up adornments or memorabilia removed from grave spaces at Elk Falls cemetery. People have until July 31 to make arrangements to collect these items from the City of Campbell River Parks Department.

We appreciate the cooperation that we have received from everyone during this period of change. Over the past year, many family members have visited the Dogwood Operations Centre to pick up items, but some remain. These items will be disposed of after July 31.

If you have a loved one interred at the Elk Falls cemetery and might not have time to pick up items that are important to you before July 31, please let us know which item or items you would like held, and when you expect to be able to drop by at 385 South Dogwood Street. Please call the City of Campbell River Parks Department at 250-286-7275 if you have any questions.

301 St. Ann's Road,
