COMMUNITY UPDATE DECEMBER 23, 2015

CHRISTMAS TREE CHIPPING EVENT

Hosted by the Campbell River firefighters. All proceeds support the Burn Fund (minimum \$5 donation).

Located at the Sportsplex on Saturday, January 2, from 10 a.m. to 4 p.m.

The Yard Waste Drop-Off Centre (located at the end of Willis Road) will also accept trees cut in half free of charge.

HOLIDAY WASTE COLLECTION CHANGES

Residents who receive garbage and recycling collection on Fridays, are reminded that pick-up on December 25 and January 1 will be moved to the following Monday.

No other days are affected. Regular Friday collection will resume after the holidays.

From December 26 to January 8, no tags will be required for extra containers. Container weight limit still applies (20 kg / 44 lbs).

Emergencies Can Happen Any Time, Anywhere and Without Warning

In the interest of public safety the City is installing generators at two Emergency Reception Centres: the Sportsplex and the Campbell River Community Centre. To carry out this emergency preparedness work, power will be disconnected. As a result, the Sportsplex will be closed to the public for four days, and the Campbell River Community Centre will be closed for one day.

During the Sportsplex closure, the public can register for recreation programs or make inquiries by calling the Campbell River Community Centre at 250-286-1161.

During the Community Centre closure, the public can register for recreation programs or make inquiries by calling the Sportsplex at 250-923-7911

To thank our customers for their cooperation and patience during the closures, fitness pass holders, who have a pass that is one-month or longer and is valid on December 21, will automatically receive a one-week pass extension.
