SHARE YOUR IDEAS FOR THE FUTURE!

The City of Campbell River is reviewing its Sustainable Official Community Plan (SOCP) & Zoning Bylaw. Through a series of public events and activities, citizens, businesses and community organizations have shared their ideas and feedback on how the community should grow and develop.

We are getting close to finalizing the changes to the Official Community Plan. We need your input to make sure we're on the right track before we present the updated plan to Council.

Join us for Consultation 3 on June 22 at the Sportsplex (Room 1)
Drop in any time from 6 to 9 p.m. to review and comment on the refined draft policies.
