City Flags Lowered for Passing of Stan Hagen

Out of respect for his long-standing service, the flag has been lowered to half mast at City facilities with the announcement of the death of MLA Stan Hagen this week.

“Stan provided exceptional service to the Comox Valley and the people of the North Island, and he will be sadly missed by our city,” emphasizes Mayor Charlie Cornfield.

“His dedication to his role as cabinet minister was a benefit to everyone in the province, and we appreciate the generosity of his family that gave us the energy and commitment of this well-intentioned, warm and friendly man, who worked so hard for us, for so long,” Mayor Cornfield adds. “Stan always made himself available any time we needed his ear, and I can’t put into words how much we will miss him.”
