### **Participate in the Spirit of the Flame Inukshuk Driftwood Challenge, November 1**

The Campbell River Spirit of the Flame Committee invites all Campbell Riverites to participate in the Inukshuk Driftwood Challenge on Sunday, November 1.

This event is co-hosted by the Campbell River Driftwood Club and will take place along Campbell River's shoreline so people can watch the creation of Inukshuk art while strolling along the Sea Walk all day.

Everyone is invited to create an Inukshuk out of driftwood to welcome torch bearers to Campbell River and celebrate the Spirit of the Flame. This green initiative will leave little impact on the environment as Inukshuk creations are to be constructed from driftwood and beach-found materials only.

Photos of driftwood Inukshuk should be sent to [crtorchrelay@ourmail.com](mailto:crtorchrelay@ourmail.com) to be entered to win great prizes from Royal Bank of Canada.
