Change of Fire Chief

After three years as Fire Chief with the City of Campbell River, the City and Chief Spry have made a mutual decision to end the employment relationship. On Sept. 14, in an agreeable separation, Mr. Spry stepped down as Fire Chief.

“We thank Mr. Spry for his efforts with the Campbell River Fire Department on behalf of the citizens of Campbell River, and we wish him well in his future endeavours,” says City Manager Andy Laidlaw.

Deputy Chief Ian Baikie has accepted the position of Acting Fire Chief until a permanent replacement is hired.
