New phone number for animal control

The City of Campbell River has a new dog catcher – and a new phone number to call for animal control.

Starting Apr. 1, Coastal Animal Control Services of BC will begin enforcing the City's animal control bylaw. Call them at **1-888-754-1397** to report barking dogs, vicious dogs, dogs at large or other animal control issues.

This enforcement work was previously done by the BCSPCA.
