Great Curb Appeal Campaign – get your nomination in!

The City of Campbell River Communities in Bloom Committee is hosting the third annual Great Curb Appeal Campaign – and it's time to nominate neighbours with outstanding properties.

The Great Curb Appeal Campaign runs from July 1 to August 5, and recognizes homeowners making a continual effort to beautify their properties.

People can nominate their neighbours for recognition by visiting the City of Campbell River's webpage and clicking on the "Nominate your Neighbour" button or, by calling the Parks Office at 250-286-7275.

Nominees will receive a colourful doorknob hanger congratulating them for being nominated. The doorknob hanger will come with a gift certificate from a program sponsor, either Ladybug Greenhouse or the Campbell River Garden Centre. Nominations must be in by August 5, 2013.

The Communities in Bloom Committee works on beautification for the City including hosting activities such as invasive plant removal, community clean up days and educational workshops. If you are interested in learning more about their beautification projects or if you'd like to get involved on the committee please call the Parks Office at 250-286-7275.
