### **Extended summer camps available**

The City of Campbell River Recreation and Culture Department will extend summer camps until school is back in session.

Summer Camp 2.0 will provide an opportunity for children aged 6 to 11 years to participate in an active and adventure-filled camp exploring Campbell River and the surrounding area. Each day will combine games and activities at Centennial Park and field trips to local beaches, lakes and parks. On rainy days, participants will spend time at the indoor pool or the Sportsplex to play in the gym.

*"We have been hearing that a lot of parents are looking for opportunities for their kids, and this camp was created to offer parents another childcare option and to give kids a great experience,"* says Kevin Elmore, a recreation program coordinator with the City of Campbell River.

The camp will run 8:30 a.m. until 3:30 p.m. Monday to Friday until school is back in session, as long as minimum registration numbers are met.

The cost of the camp is \$35 a day.

To register or for more information about Summer Camp 2.0, please contact the Sportsplex at 250-923-7911 or the Community Centre at 250-286-1161.
