

LARWOOD/ERICKSON SEWER UPGRADE

Spring 2018 - Fall 2019

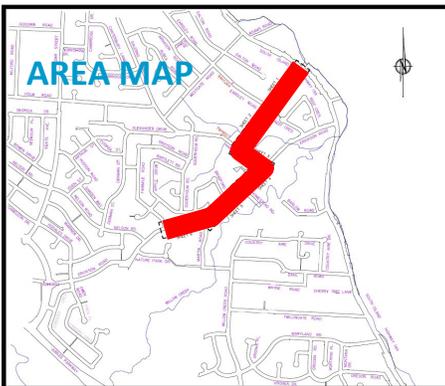

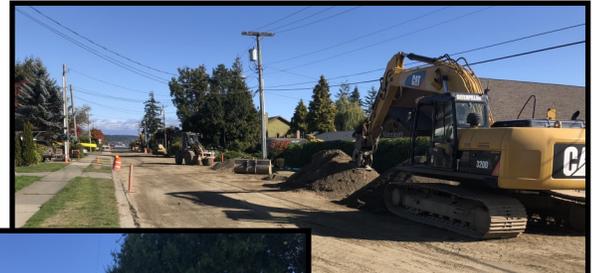

Complete!

Project Overview

Work under this project included the renewal and upgrade of sanitary sewer mains on Larwood, Harrogate and Erickson roads. These upgrades were required to address existing conditions and growth related demands in the new Jubilee Heights subdivision and future development to the south.

The City engaged Highland Engineering Services Ltd. as the engineering consultant and construction services were provided by Windley Contracting Ltd.

Construction was complete in the Fall of 2019.

Funding for the Project

Budget was approved in the 2017 Capital Plan with a final cost of \$4,226,335. The project was funded in part by Sewer Capital Reserve and a partnership with Timberwest Forest Company, the developers of the Jubilee Heights subdivision.
