

# MUNICIPAL BROADBAND NETWORK PROJECT CIVIL WORKS

Summer 2020

*On Time and Under Budget*

## Project Overview

CRadvantage is a key economic driver that strengthens existing businesses and draws new investment to Campbell River. The municipal broadband service offers an open model for third party service providers to lease network access. For more information on this initiative, visit the Technology section under the Business & Economy webpage or use the following link:

Work under this project included the extension of the City's municipal broadband network along 11th Avenue from Cedar Street to Dogwood Street, and Dogwood Street from 11th to 12th Avenue.

The civil design work and contract administration was completed by the City's Capital Works Department. Lite Access Technologies Inc. performed the conduit and fibre optic cable installation.

## Funding for the Project

The project was approved in the 2020 Capital Plan. The cost for the civil work was \$80,000 and funded by the Gaming Reserve.
