
NIGHT WORK CONSTRUCTION IN YOUR AREA THE WEEK OF OCTOBER 24, 2022 TO OCTOBER 28, 2022

This notice is to advise you that the City of Campbell River's Contractor *Insituform Technologies Ltd.* will be performing work in your area (see attached map) during evening and night hours. The work will be performed at night to reduce the disruption to businesses, residents and traffic. We apologize for any inconvenience this work may cause.

In order to minimize these disruptions, the City's contractor *Insituform Technologies Ltd.* has been approved for a Public Nuisance Bylaw Exemption Permit which will vary *Part 6.7 Noise Regulations* of the City's *Public Nuisance Bylaw 3543, 2014*. View a copy of the Bylaw by visiting the City's website:

<https://www.campbellriver.ca/your-city-hall/bylaw-search>

When:

The night work will be taking place during the **week of October 24th to October 28th**. Crews will start in the evening hours from approximately **7:00 pm until 7:00 am** for 1-2 nights.

Where: Alder St. from 9th Ave. to Shoppers Row

Most of this work will take place at night between **7:00pm and 6:00am** to avoid impacts to traffic and businesses.

Getting Around During Construction:

There will be short term traffic disruptions during this work. *Insituform Technologies Ltd.* will have traffic control in place ensuring safe passage for vehicles and pedestrians around the work zone at all times.

Staying Up to Date:

Further information about this project is available at the City's website:
