

YOU ASKED: How to bag yard waste

Please use only paper bags or robust lidded containers, clearly labeled Yard Waste, for curbside yard waste collection.

Many clear lawn and garden bags are advertised as biodegradable, but they do not break down fast enough and end up contaminating the soil produced from Campbell River's yard waste. To keep the end product in good condition only unlined compostable paper bags will now be accepted with yard waste.

Plastic bags – even the ones considered biodegradable – will no longer be accepted at the curb or the Willis Road yard waste drop-off centre.

The seasons, they are a changing!

You can help reduce the chance of flooding by keeping leaves, snow and other debris from blocking catch basins near your home. More than 3,300 catch basins let stormwater flow off the streets in our community – any help keeping them clear is appreciated.
