Campbell River Fire Department Open House

When: Saturday May 12, 2018 from 10 a.m. to 2 p.m. Where: No. 1 Fire Station, 675 13th Ave
Admission: FREE

Join us for our fun, family friendly annual event. Test your skills with a fire hose and hydraulic rescue tools, tour the fire safety house, dress up like a firefighter in our photo booth, and sign up for a chance to ride 101 feet in the air on the tower truck.

There will be two exciting live demonstrations:
11 a.m. - Vehicle Rescue Demo 1 p.m. - Live Fire Demo
(Home Hardware parking lot)

The live fire demo will feature two structures that simulate the room and contents of a typical home. Only one of the rooms contains a fire sprinkler. The side-by-side comparison will show why a typical home becomes deadly in three minutes or less – and the value of having a fire sprinkler system installed. You don't want to miss this!

The department will host a by-donation BBQ with hot dogs, hamburgers and refreshments with all proceeds going to Cameryn's Cause.
