Official Community Plan changes to the Hazard Conditions Development Permit Area guidelines for Steep Slopes

The City of Campbell River is updating the Hazard Conditions Development Permit Area guidelines for steep slopes to improve human safety, protect property and address landslide risk.

Changes will require adherence to the Association of Professional Engineers and Geoscientists of BC Guidelines for Legislated Landslide Assessments for Proposed Residential Development.

Corresponding updates are being proposed for the Environmental Protection Bylaw.

A public virtual meeting has been scheduled to give the public and professionals a chance to hear the top questions and comments the City has heard so far.

PUBLIC VIRTUAL MEETING:

Thursday, March 31 from 6 p.m. to 7:30 p.m.
