City's Dec. 18 free building and development forum features covenants

The City of Campbell River's next one-hour lunch 'n' learn session for local builders and developers will focus on covenants and other legal charges.

The forum will provide a general overview of section 219 covenants, easements, statutory rights-of-way, and their differences. Forum participants will meet the City's land development officer and discuss what these legal tools are and when they can be used in development approvals, for projects big and small.

Local industry professionals interested in attending are reminded to bring their own brown bag lunch. Please note these forums are now held on a quarterly basis.

The forum will take place at noon, Wednesday, December 18, 2013 in the Rivercorp boardroom at the Enterprise Centre beside City Hall. Seating is limited to 25 attendees.
