### ***Spirit Square On the Move* again – Apply for a summer music concert in your neighbourhood**

Interested in having live music in your neighbourhood this summer? Campbell River's popular downtown concert series is hitting the road again this year to bring physically-distanced concerts to different neighbourhoods.

Four concerts will take place at locations selected by a random draw. Individual households can enter their neighbourhood in the draw. *Spirit Square On the Move* will be available to all homes in the immediate area of the winning residence.

*"Spirit Square on the Move is designed to be a smaller outdoor concert series with limited and controlled capacity,"* says Karen Chappell, a recreation programmer with the City of Campbell River. *"These street-based concerts will allow people to listen and enjoy safely from their front yards, on patios, porches or decks, while participating in a family-friendly, community-based event with their immediate neighbours."*

Concerts will play between 5 and 8 p.m. July 15 and 24 and August 5 and 14.

The City's Recreation and Culture Department will close the local street and fully manage each live music event.

*"This concert series is a way to share an experience with neighbours at a safe distance,"* says Mayor Andy Adams. *"With so many people missing Spirit Square concerts and other community events, live music from the safety and comfort of home will be a way to re-connect with each other. Definitely something to look forward to after these many months of pandemic precautions."*

Enter the draw by July 2 for a *Spirit Square On the Move* concert by completing the application form on the City of Campbell River website <https://forms.gle/yuxE88w4Pzsq3ekdA>. Limit of one entry per household.
