

# SEA LEVEL RISE

CITY OF CAMPBELL RIVER

WORKSHOP AGENDA - NOVEMBER 28 & 29, 2018, 6:30 PM TO 9:00 PM

## PUBLIC QUESTIONNAIRE

We value your thoughts and questions about sea level rise. Please take a moment to complete the questionnaire that will be distributed during this workshop. You can submit your form after the workshop, email it to [policy@campbellriver.ca](mailto:policy@campbellriver.ca), or drop it off to the City at the address below by Monday, December 17.

Please encourage your friends, family, and neighbours to complete one as well!

This workshop provides an opportunity for you to learn the facts about sea level rise and potential impacts to our shoreline as our climate changes. Following a presentation, you will participate in activities and discussions about sea level rise including potential concerns for our future, as well as what matters most to us in our community. We will end with a question and answer period for you to ask anything you ever wanted to know about sea level rise.
